

THANK YOU FOR PURCHASING A FUEL LOCK™ DEVICE!

Get your Fuel Lock system up and running with these simple steps:

- Download the Fuel Lock App from Google Play or the App Store.
- Have a licensed electrician install your new device and flow meter pulsers on your new or existing fuel tanks.
- Learn how to link your device and app from videos on youtube.com/@CalianAgriculture
- Add your device to the Fuel Lock app. Set up your tanks, employees and equipment.
- Configure your preferences and notifications.
- Start fueling and enjoy!

For support, contact your Fuel Lock dealer:
